Bookings

We hate letting people down... it makes us feel bad. So if you can book a good 2 weeks in advance, we can avoid disappointing you. If you are making a booking for a facial, massage or body treatment (spa services) – or any service that is 1 hour or more – (per person) we require credit card details to secure your booking. If you have an URSK Gift Voucher, please have your voucher code to secure your booking.

Online Bookings

You can book your appointments online through our website anytime! Just click make a booking to choose your service type, date & time. You will then receive an automated response that we have received your request.

Bookings are made pending confirmation from URSK via email and/or SMS.

On your arrival

It is advisable to arrive 10 minutes prior to your appointment time so you can relax and complete consultation forms as necessary. Arriving 'just on time' may cut into appointment time.

Late arrivals

We understand that life can be a little unpredictable at times, which means you might run late to appointments. At URSK we strive to run on time for the comfort and satisfaction of all our clientele.

This means if our staff are running late, we will still honour your booking time and fulfil your service. If you are running late, we will do our very best to do the full service within the time remaining of your booking.

Gift Vouchers

Gift vouchers are available for all salon services and are strictly valid for 6 months from the date of purchase and not redeemable for cash or products.

Cancellations

Life can be a real pain at times and we know that now and then things don't work out as planned. When you book an appointment at URSK, we allocate that time just for you. If someone else calls and wants to book the same time-slot, we politely turn them down, as this space has been reserved especially for you.

If you cancel or change your appointment without 24 hours notice a 40% cancellation fee will apply.

URSK values your feedback

At URSK we strive to be the best, so in the unlikely event that you are not completely delighted, please call or email us within 7 days of your service.

Convenient payment plan now available! Take the worry out of treatment costs. Ask us for details.
